As Amended and Restated

November 3, 2017

I. Effectiveness

This Charter of the Audit Committee (this “Charter”) will be effective upon approval by the board of directors (the “Board”) of Cheniere Energy Partners GP, LLC (the “Company”), the general partner of Cheniere Energy Partners, L.P. (the “Partnership”) and will supersede the previously existing charter of the Board’s audit committee (the “Audit Committee”) in its entirety.

The Audit Committee shall review and reassess the adequacy of this Charter on an annual basis and recommend any proposed changes to the Board for approval. The Partnership shall provide appropriate funding, as determined by the Audit Committee, for the independent registered public accounting firm engaged by the Partnership to perform audit services (the “Independent Auditor”), for any other advisors engaged by the Audit Committee and for the ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties.

II. Function

The Audit Committee is appointed by the Board to oversee the accounting and financial reporting processes of the Partnership and the audits of the Partnership’s financial statements. The Audit Committee assists the Board in overseeing the

- integrity of the financial statements of the Partnership,
- qualifications, independence and performance of the Independent Auditor,
- Partnership’s internal audit function (“Internal Audit”) and systems of internal controls over financial reporting and disclosure controls and procedures, and
- compliance by the Company and the Partnership with legal and regulatory requirements.

III. Committee Membership

The Audit Committee shall be comprised of at least three members. Each member of the Audit Committee shall meet the independence and experience requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the NYSE American LLC (the “NYSE American”). All members of the Audit Committee shall be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. Each member must not have participated in the preparation of the financial statements of the Partnership or any current subsidiary of the Partnership at any time during the past three

years. The Audit Committee shall have at least one member who is financially sophisticated, in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including but not limited to being or having been a chief executive officer, a chief financial officer or other senior officer with financial oversight responsibilities. A member of the Audit Committee who qualifies as an "audit committee financial expert" under Item 407(d)(5)(ii) and (iii) of Regulation S-K is presumed to qualify as financially sophisticated.

The Audit Committee shall conduct special meetings as determined by the Chairman of the Audit Committee or at the request of the Chief Executive Officer, President or Chief Financial Officer of the Company or the Independent Auditor. Meetings may be in person, by telephone or videoconference as needed to conduct the business of the Audit Committee. For the transaction of any business at any meeting of the Audit Committee, a majority of the members shall constitute a quorum. The Audit Committee may request any officer or employee of the Company, outside counsel or the Independent Auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

V. Responsibilities

The Audit Committee's responsibility is oversight, and it recognizes that the Company's management is responsible for preparing the Partnership's financial statements and complying with applicable laws and regulations. In addition, the Audit Committee recognizes that financial management (including the internal audit staff), the Independent Auditor and the Company's Chief Compliance and Ethics Officer have more knowledge and more detailed information about the Company and the Partnership than do the members of the Audit Committee. Consequently, in carrying out its

oversight responsibilities, it is not the duty of the Audit Committee to plan or conduct audits or determine that the Partnership's financial statements are complete and accurate or are in accordance with generally accepted accounting principles ("GAAP").
